Q: Why did some of the board resign?

A: Terry and Eric were on the board for a long time and just felt it was time for them to move one.

Q: Are we still trying to hire a director?

A: Yes, but due to the loss of our space, it's put us further behind. We were able to help promote monetarily and through promotions though which was really nice.

Q: Are you sending out invoices soon?

A: Yes. While we sent invoices in the beginning of 2020, we haven't pushed on receiving those outstanding to allow some relief due to COVID. That said, members can expect to receive new invoice for 2021 as scheduled.

No other discussions were made

- Scott Donihue motioned to adjourn the meeting
- Mike Prince seconded
- All in favor
